Address: 19016 Stout Lane, Gulf Shores, Gulf Shores

Price: 30.00 \$

Work Force 7 inch wet diamond saw. i have this to tile and tub/shower and two bathroom floors in my house.

Works well for what I paid for it. (\$70.00) Cuts quickly. Comes with two blades(used) that still work fine. Only issue is the table top is small for large format tiles. We are now selling the house so I no longer need it. If you have questions contact me.
